Cruising For a Cause

Set sail with Rotary District 5840 for the 2011 District Conference cruise of a lifetime. The all-inclusive price includes accommodations for 4 nights, all meals and entertainment. There will be lots of fun learning opportunities aboard ship, from Rotary University to Spanish 101, as well as a rewarding international service project with the Rotary Club of Cozumel.

You don't have to be a Rotarian to join us, so invite your family and friends - just \$25 down by ^{Sept.} August 1, 2010 saves your spot aboard our Carnival cruise ship. Trips depart from Galveston, and remember to pack your passport.

Rates start at \$695 per person

End Polio Now Trip (Depart November 18 - Return November 29)

We are organizing a Polio immunization trip to India over the Thanksgiving holidays this year. The trip will cover two immunizations plus a visit to the Rotary school sponsored by the Rotary Club of Agra Taj Mahal India. We will help to get rid of Polio and see some of the sites in our spare time.

The Rotary school is asking if we have any laptops that we are not using that could be donated to the school. The request is for laptops that use the XP operating system as many of these are gathering dust and other critters in our unused piles of stuff. If you would like to ask your club members, business partners, friends, relatives or any other organization that might have them, it would certainly be appreciated.

Hopefully this will be the last trip to India for Polio Immunization as Rotary is in the "Final Inch" of Polio Eradication.

If you want to know more about the immunization trip and/or the donation of laptops please call or e-mail. We would be happy to help in any way.

If you need a program on immunization or the laptop project please contact us at your earliest opportunity.

Dear Club Members,

It's time to renew your yearly club dues. Our dues have increased this year due to an increase by RI and our district. This year our dues will be \$190.00 payable to SA Northwest Rotary. Please submit your dues to the sgt-at-arms desk.

Rotary Specialty License Plates are now available! Check the District website for information.

If you have a message that you would like to get in The Pinion but don't have access to a fax machine, then send your message to Tom McKeown by e-mail to TomMcKeown@satx.rr.com and he will see that your message gets in The Pinion.

Please go into the club's website and check to make sure that your personal information, i.e. telephone #, fax #, email address, etc. is correct on the club's roster. If changes need to be made notify John O'Donnell by e-mail with corrections. Thanks!
